VOLUME XXV

SANTA ANA, CALIFORNIA, SEPTEMBER 30, 1949

NO. 2

Pictured above is Billy Craig LEARNING THE TRADE from Billy Neiswanger, carpentry instructor—Photo by Bill Dominguez

Assembly Features Director, SAC Yell and Song Leaders

Second SAC assembly of the year featured Director Daniel C. McNaughton as main speaker who delivered an address entitled "How To Be a Good College Student." The Reverend F. W. Niedringhaus, of the Santa Ana Congregational church, gave the invocation and the Reverend George Busdiecker, of the Santa Ana Lutheran church, gave the closing prayer.

A short pep rally was conducted at the assembly by yell leaders Phil Reilly, Al Fletcher, and Burton Pickett. A new cheer, written by Don Musial, was introduced by Pickett, and the winners in the song leaders contest were announced by Bob Zelinka. Chosen to lead the songs were Paula Doretti, Priscilla Orman, and Patty Evans.

Dr. Edwin T. Force, history instructor, and adviser to the International Relations club, made a short speech in which he stated the activities of the I.R. club, and requested all those interested to attend meetings.

Football game with Orange Coast

SAC Represented At LA County Fair

Jack Goetting of Santa Ana College tied for 1st place in two divisions of the junior college livestock judging contest which was held at the Los Angeles County Fair in Pomona, September 24th.

Richard Hatch tied with teammate Goetting for 1st place in Dairy Cattle judging. Hatch gained the final decision, and Goetting was awarded the red ribbon placing in judging this class of Jersey heifers.

In poultry Jack Goetting was again in a tie for first place, with Kenneth Reynolds of Santa Ana College also making a perfect score in judging leghorn hens.

Bill Lane and Kenneth Pannell also represented the SAC Young Farmers in the contest in competition with six other colleges which sent five man teams to judge five classes of livestock. Paul E. Andres, Santa Ana College Agriculture instructor, was in charge of the contest organization.

More 'Oomph' Promised

By CHARLES MARDEN

"The Don band will have more variety and oomph than last year," says Bob La Master, director of the colorful college musicians. "Since college bands have developed into show organizations, I think band music should be more in the popular vein rather than remain on a strict diet of marches," added La Master.

The Don band will support the team at Pasadena and San Bernardino as well as for the remaining home games.

Our band last year was awarded a trophy at the Halloween parade in Anaheim and was selected to represent the Eastern Conference in the All-JC band in the Junior Rose Bowl for the National Junior College football classic, last fall.

A small select group will keep pep in the step of our basketball team later in the season. A number of invitations have been received to parades, but since these easily can become "too much of a good thing" the band will represent the college in only a selected number of activities.

So far this year we have a four piece "Bandads" which performed at the first pep assembly of the year and at the Santa Monica-Santa Ana half time period last Friday night. We also have a swing band in the making whose plans include playing for school dances. The former group is for color and noise while the latter group is for "The Solid Beat."

SB Card Needs Photo

In order for student body ticket holders to use their privilege of reduced rates at the local West Coast theaters, a picture of the student must be on his student body card, stated Dave Evans, ASB president.

Freshmen will soon receive pictures taken at the beginning of the year. Sophomores who have last year's student body card may remove the picture from it and place it on their new student body cards.

Those students who have not had their picture taken may place a small photograph in the proper place.

Rare Tree Adorns New SAC Campus

By CHARLES MARDEN

Being a particularly fine specimen of a rare tree, the Ginkgo tree, northwest of the student union, was moved from the old campus on Ninth and Main last spring.

This tree had adorned the old junior college campus for many years when Buffum's of Los Angeles purchased the old site for their new branch here. The tree would have been done away with if tree lovers had not protested its case and asked that it might be spared. On April 22, this tree was transplanted to the new college site on 17th and Bristol.

The moving operation cost \$300. The school board, turned down the generous offer of John Carr, manager of Buffum's to pay the full cost, voted to pay half the expense of the work.

Faculty Roster Increased To 45 As Student Body Begins New Year

Aileen Stegall, commercial, Dr. Clark Loomis, commercial, and Billy K. Neiswanger, carpentry, have been added to the Santa Ana College staff, making a total of forty-five faculty members.

Aileen Stegall replaced Alice Smith, who is on leave from the college to teach commercial subjects to G.I.'s in Japan. Miss Stegall will instruct in the Business Education Department, teaching shorthand, transcription, and business English. She previously taught school in Oklahoma, and received her B.A. and M.A. from Oklahoma A & M.

Entered WAC

After graduation, Miss Stegall entered the WAC as a private, coming out WOGJ Stegall two-and-a-half years later. During her time in the service, Miss Stegall spent twenty-two months overseas from Dec. 1943 to Oct. 1945, at Naples and Caeserta, Italy, and saw the eruption of Mount Vesuvius in May 1945.

Four New Courses

Dr. Clark Loomis is teaching courses in insurance, investments, business mathematics and book-keeping.

Dr. Loomis received his Ph.D. in Economics from Vienna Commercial College in Austria in May of this year. He also has a B.A. from New Mexico and an M.A. from Louisiana State University. Other graduate work includes attendance at the Universities of North Carolina, Illinois, and Wisconsin.

In Italy at the end of World War II, Dr. Loomis transferred from the 5th Army there to the U.S. Allied Commission of Austria,

commanded by General Mark W. Clark, where he spent four years from June 1945 to June 1949, and was in charge of the Foreign Trade Branch of the Economics Division. While there, he converted from military status as Captain to civilian status.

Carpentry, New Course

Billy K. Neiswanger, Carpentry instructor, is just starting his work in the Day Division of the College, although he has had two years in the evening division. His teaching background includes teaching experience at Fullerton Junior college and ten years experience at his trade.

His carpentry course includes training in building for residential, commercial, and industrial types, and is designed to teach the student fundamental knowledge, basic process and operations for the carpentry trade, being based on a two-year curriculum.

Neiswanger has lived in Orange County all of his life, except for two years naval service around Okinawa and other South Pacific areas during World War II. In addition to teaching, he is advisor for the Buccaneers Men's Service Club.

Attention Women Students!
Check your mail boxes for an invitation to the joint club party Monday, October 3, at 7:30 p. m. in the Student Union. Date dresses will be worn.

FEATURED ABOVE IS SAC'S GINKGO TREE as it looks after being moved from the old campus on Main Street. The Tree is now situated on the North side of the campus.—Photo by Bill Dominguez.

Bachelor's Football Team Wins Game

There was no spotlight. There were no cheers. But there was entertainment at the half-time of the football game between Santa Monica and Santa Ana last Friday night in the Metropolitan Bowl.

Thanks to the Brotherhood of Bachelors, a mock football game was staged, with the teams composed of the Santa Ana YMCA junior tumblers as the Santa Monica Men, and Chuck Vanderbush as the husky, cigarette smoking, Santa Ana one man team.

Referees decided that the Santa Ana team had an unfair advantage and decreed that an equal number of men appear on both teams. This called for the appearance of the Bachelor's Atom Smasher, a device which was used to divide the Santa Ana team into an equal amount to compete with the Santa Monica four man team.

Vanderbush was placed into the Atom Smasher, and he soon disappeared into a cloud of smoke, at which time the Atom Smasher opened and four Santa Ana men appeared.

The game began.

Santa Monica hadn't a chance. Out run, out blocked, the Santa Monica men soon retired from the field, leaving the victorious Santa Ana team leaving the field to a wave of applause.

Santa Ana triumphed again!

Official publication of the Associated Student of Santa Ana College, Santa Ana, California. Published weekly during the college year while in session, except the weeks of quarterly and semester examinations, and issued on the college consolidation ticket, the price of which includes \$.50 for subscription to the paper.

A Report On Modern Music

By PAT JOHNSON

Broadway, Hollywood, and the motion picture industry are proving to be stepping stones for many of the newer sons. The movies are also responsible for the re-release of many of the old time hits, now making their mark on the '49 hit parade.

Several of the newer releases that are climbing high on the list of favorites are from movie land, and are recorded by big name vocalists and orchestras.

My Own, My Only, My All is a recording by Kay Kyser and his orchestra on the Columbia label. The Kyser version of the song is very cute and sprightly. The flipover, also from **My Friend Irma**, is a good tune by the name of **Just For Fun**. The lyrics are sort of silly, though.

Where Are You, Now That I Need You? is sure to be a hit. Done by Kay Thompson on the Decca label, this new Decca artist really puts it over with a bang. The same goes for her performance on the back, by name of **'Bout You and Me**. Betty Hutton recorded the **Now That I Need You** for Capitol. Backing Betty's version of this tune is a pressing of **I Wake Up In the Morning Feeling Fine**.

A humorous novelty on the Decca label is Russ Morgan and his orchestra doing **That's My Weakness Now**. It's fun and corn with a flair—hear it. The other side is for polka lovers, **Laughing Trombone Polka**. It's also silly, but also fun.

Another song that is reaching the top in popularity is **Circus**, waxed by Tony Martin on the RCA Victor label. We bet you can't avoid hearing this song. It's the same type as **Ballerina**, **Matinee**, **Cabaret**, and so on—but we still think it's lyrics are silly. We like the flipover, **No, No, and No**, much better.

I Wish I Had a Wishbone is done by Carol Richards on the Decca label. An attractive new artist for Decca, her spirited rendition of the first ditty proves she can put over a song. The reverse, **Silver Dollars Tumbling Down**, is also quite good.

Brooklyn, Land Where Tree Grew Produces Don Football Players

Brooklyn, the land where the tree grew, also produced several of the current Don footballers. Murray Adler, George Brancato, and Irwin Jacobsen followed the trail of Irwin Spector, flashy Don guard and Leo Hirshman, first string blocking back of U.C.L.A. and ended up in sunny California.

Murray Adler, 6'3" 190 pound Don tackle attended Abraham Lincoln High School in Brooklyn as did the other boys playing football all four years. His older brother, Raymond, 6'6" 220 pound, is now playing basketball for George Washington University. Georgeous George Brancato, 5'9" 160 pounds; as the Orange County Papers, tagged him is a gift to the Don squad as he was elected all city back and all state back in New York, 1948. A hurt leg stopped him in the first games but it is hoped he will play tonight. Jacobsen, from Coney Island is another back donated from Brooklyn, New York.

At present, the boys are residing in an apartment on Eighth and Parton where Spector reigns as Chef and Adler insists on being head dish washer. When asked what George does to contribute, the boys answered "George is the baby of the family."

Their plans for the future are pretty definite. Spector is transferring to U.S.C. soon and Brancato wants to attend U.C.L.A. along with Hirshman. Adler hopes to finish college at Dartmouth University back East.

They all approve of California except they stated "We miss the night life of New York City." They claim Californians are very friendly and they like the climate above everything else.

Newman Club Holds Steak Bake In Park

Members of the Newman Club, Santa Ana College's club for Catholic students, had a steak bake yesterday at 5:30 p. m. in Santiago Park. Plans for the steak bake were made at the first meeting of the club Thursday, September 22, at noon in the executive board office in the student union.

All Catholic students are cordially invited to attend the Newman Club meetings, to be held the first and third Thursday at noon in the Student Union.

Officers of the club are to be elected at the next meeting. Advisors of the club are Miss Marie Pound and Father Daniel Kielty, of St. Joseph's church.

Prexy Reports On Student News

Each week El Don is published, I shall endeavor to discuss pertinent news of the Associated Students with you through this column. I have found by personal contact with many of you that are interested in student affairs. I wish to thank the editor of El Don, Hal Caldwell, for this opportunity to contact you directly and to make our friendship much closer.

We are all proud of our new Student Union whose doors were opened for the first time this semester. Sections have been set aside for those wishing to study, eat, recline or sit around and gab between classes. Because many problems have arisen in regards to the student union, I have appointed Carl Busdiecker to head a committee consisting of June Morse and Harry Fake to present recommendations to the board. We all feel very happy that you are taking care of the expensive furniture and making good use of the union.

School spirit has been very good at the games this year. To add to the color rooters caps have been ordered and will be sold soon. When the caps arrive only those wearing them and holding student body cards will be permitted to sit

in the reserve section. Rooters caps will be sold at a nominal cost in an area to be announced later. In the near future the ASB board will require that all students must have a picture attached to their student body cards. New students will receive their copies of pictures soon and old students are requested to remove pictures from old student cards or to use snap shots. Local theatres are also requiring that pictures or snapshots be attached before they will accept them. It's a good idea to do it now before you are stuck sometime.

Thanks for your support in the song leader contest and attending the after game dances. They have been planned for you by hard working Elizabeth Elliott, ASB Social Chairman. Others are being planned for you in the near future.

George Billingsley, Head Yell Leader, has appointed Burton Pickett as another assistant. George is remaining inactive due to his working hours. Bill, Phil Reilly and Al Fletcher are doing a wonderful job leading all in cheering our team on to victory.

Total ASB ticket sales to date are 675. Do you have yours yet? See you next week.

Campus Capers

By PHYLLIS EHRLER

Last Friday's game produced a new routine from the song and yell leaders called 'The Boogie Yell.' It's most everyone's opinion that this type of yell is certainly popular with the student body.

The dance held in the cafeteria after the Santa Monica game proved more successful due to the better records played. It was suggested by a few that the music be played a little louder throughout the Student Union. Dons and Donas enjoying themselves were Dick McCammon, Jim O'Connor, Doris Milbrat, Don Phillips, Betty Sekeris, Billy Jo Riley, Bob Sampica, Shirley Johnson, Herb Hill, Carlos Lillywhite, Patty Evans, Ron Lovelady, Joanne Clark, Phil Reilly, and many many more.

Concerning some Brooklyn fellas who can't seem to get to school on time because of hitchhiking problems. Too bad a bus doesn't run by Eighth Street.

Congratulations are in order to Paula Doretti, Priscella Orman, and Patty Evans for being elected song leaders for the following year. The girls have some terrific outfits lined up in red velvet and will make every Santa Ana student proud to have them represent the school.

The Pavalon, in Huntington Beach, will soon be the spotlight as the Rendezvous in Balboa closed for the season following last Saturday night's finals featuring Mel Torme. A lot of headliners are planned for the little ballroom by the sea.

The game tonight with Pasadena promised to be one of the thrillers of the season as the Bulldogs are rated very powerful this year. Everyone with available transportation is urged to go and support our Don team.

The boy's service clubs have been meeting to decide upon new pledges to the various organizations. The Buccaneers and Gauchos find it convenient to meet in the new and old Student Unions.

Introducing

By JANE LINDEMUTH

SHIRLEY JOHNSON

If you're dreamily sitting at the snack bar and a 5 foot 7 inch, dark haired, dark eyed whirlwind comes whipping through, scattering pencils and papers and board meeting notes, you may consider yourself to be formally introduced to the S.A.C. Student Body Secretary, Shirley Johnson.

Born in Los Angeles on September 4, 1930, Shirley has attended schools in Santa Ana all her life. She was very active in the student affairs at Santa Ana high school and is now capitalizing on her ability in this line at S.A.C. She is a active member of Las Meninas in addition to filling her post as secretary.

Shirley is in love with football games and all types of food. Her favorite vocalists are Kay Starr and Billy Eckstine while Les Brown is the leader of the band whose music she likes most to dance to.

BOB McFADDEN

Bob McFadden, the 5 foot 6 inch 143 pound, eighteen year old place kicking specialist is now giving his all each Friday night for the honor of the Dons.

While spending most of his time at Mary's eating his favorite foods, spaghetti and chocolate cake, Bob likes to listen to the voices of Margaret Whiting and Billy Eckstine. Les Brown and Stan Kenton are on the top of his list as far as bandleaders are concerned.

Upon receiving his diploma from Santa Ana high school, where he lettered in football and track, Bob

transferred his attentions to S.A.C. Although he is now majoring in agriculture, Bob's future plans are indefinite.

One of Bob's closest friends, he will tell you, is Bob Pagenkopp, whom he is never seen without. Bob attended Lathrop Junior High. A quiet, unassuming boy, he would not divulge how he felt about tonight's game except for the fact that he would try his hardest.

Service Clubs Plan Initiations

BACHELORS
 Secretary Ronald Birtcher's home in Corona del Mar will be the scene of the Bachelor's pledge dinner this Wednesday night, October 5th, at 7:30 p. m. The Bachelors are planning a ham dinner with all the trimmings.
 Officers of the Bachelors are Gerald Jessup, president; Hubert Clark, vice-president; Ronald Birtcher, secretary; Fred Baker, treasurer; and Russel Gilbert, sergeant at arms.

LOS GAUCHOS
 Los Gauchos held their pledge dinner last Wednesday evening, September 28th, in Johnny White's barn. Pledges and members enjoyed a spaghetti dinner and movies, which followed the supper.

Herb Hil heads the Gauchos this year. Other officers include Dick Moomaw, vice-president; Bob Zelinka, secretary, and Roy Hull, sergeant at arms. Last year's advisor, Royal Marten, is replaced by Dr. Clark L. Loomis.

BUCCANEERS
 Richard McCommon was elected president of the Buccaneers for the ensuing term. Lester Davis, vice-president; Don Phillips, treasurer; Harry Bergquist, sergeant at arms, and Cliff Carrens, secretary, compose the other officers of the Buccaneers.

An Ab feed is scheduled for next Wednesday night, October 5th, at El Adobe in San Juan Capistrano. New faculty advisors are Mr. Billy Neiswanger and Mr. Thomas Van Osdall.

LAS MENINAS
 First meeting of Las Meninas was held at the home of Jackie Haysom, Monday evening, September 26. Plans for the semester were discussed, and also plans for initiation, the rush tea, and the Women's Service Club Tea to be held Monday evening, October 3, in the Student Union.

Officers for Las Meninas are Liane Crawford, president; Janet Coombs, secretary; Lesly Condon, treasurer; and Jean Giesler, corresponding vice-president. Advisors are Miss Marie Pound and Mrs. C. Norman Hicks.

PILOTEERS
 Piloteers held their first meeting of the year at the home of Pat Johnson, September 26, at 7 p. m. Discussion of future pledges, and plans for initiation and the rush tea occupied the major part of the meeting.

Serving as officers of the Piloteers are Norma Rhoads, president; Dorothy Carter, vice-president; Helen Walker, secretary; Pat Johnson, treasurer; Wyvonne Berry, sergeant at arms; and Bobbie Lou Currie, historian. Advisors are Miss Ruth Bradley and Miss Frances Egge.

SPINSTERS
 Sisterhood of Spinsters held their meeting at the home of Marlene Reamer, on Monday evening, September 26.

Plans for the joint tea and also for the rush tea were discussed. Committees for the joint tea were selected and prospective members were discussed.

Spinster officers for the semester are Peggy Humphrey, president; Peggyann Tozier, vice-president; Joan Blair, secretary; and Doris Bruce, treasurer. Advisors are Miss Lota Blythe and

LAS GITANAS
 Las Gitanas met at the home of Carmen Perez on September 26 to discuss plans for initiation, and to also make plans for joint Service Club Tea to be held October 3.

Officers for Las Gitanas are Carmen Perez, president; Rita Maher, vice-president; Elizabeth Elliott, secretary; and Pauline Scott, treasurer. Advisors are Mrs. Florence Finley and

Leading the songs at the SAC football games are pictured above from left to right, Paula Doretti, Priscilla Orman, and Patty Evans. The girls are shown wearing their costumes of red sweaters and skirts.—Photo by Whitey.

Glenn and Blythe of SAC Faculty Spend Summer Vacation In Europe

By PAT JOHNSON
 Two members of the Santa Ana College faculty spent their summer vacations in Europe this year. Thomas H. Glenn, English instructor, conducted a party of approximately thirty American tourists through England, Ireland, France, Italy, Switzerland, Holland, Denmark, Sweden and Norway. Miss Lota Blythe, advisor to Tavern Tattlers and Spinsters, and also an English instructor, spent her summer visiting the countries of England, Scotland and France.

Miss Blythe said that she loved the English countryside, but that she nearly froze in Scotland. Two of her former students from Santa Ana College, Robert Heath, now with UNESCO, and Barbara Rurup now with ECA, saw that she was well taken care of.

Visits Stratford-On-Avon
 Stratford-On-Avon, famous for its Shakespearean play presentations, was the perfect place to spend three days, as far as Miss Blythe is concerned. While there, she saw the plays "Othello," "Mid-Summer Night's Dream," and "Henry VIII."

While in England, Miss Blythe met Dorothy Ayling, former Santa Ana College student, who was spending the summer in Europe to continue her education.

Thomas H. Glenn remarked that travel in Europe has improved and that better improvements are being made as time goes on. "However," he said "one must not get the impression that European recovery is complete."

"Cities are being cleaned up," he continued, "and the general appearance of the countries is better. People attribute it to American aid and they spoke constantly of all the aid we have given them."

Travelers Are Welcomed
 1950 will be a big year in Europe, as it is a Holy Year, and the first year in which the Oberammergau Passion Play, depicting the crucifixion of Christ, will be presented since World War II.

"Travelers are impressed by the progressive nature of Sweden, and the most attractive city of Stockholm," said Glenn. "Stockholm is the most modern city in Europe, and one of the most modern in the world."

"One of the high spots of the tour was a trip on the Gota Canal between Gotenburg and Stock-

holm. The Gota Canal is a small canal built a century ago.

Doretti, Orman, Evans, Elected By Close Margin For Song Leaders

Elected to the positions of song leaders by the Associated Students last week were three Anaheim misses by names of Paula Doretti, Priscilla Orman and Patty Evans. They won out over Rita Riggs, Sharon Carnahan, Marjorie Alexander and JoAnn Johnson in the recent balloting.

Alumni Trail

By PAT JOHNSON

Alumni of Santa Ana College have scattered far and wide, even those Dons and Donas who graduated in 1949. Hawaii, Washington D. C., Northern California, New York, and colleges and universities about the country and world have various members of the Santa Ana College alumni.

Two members of the '49 class who are enrolled at Redlands University are Jackie Morris and Dwayne Axworthy.

Dorothy Ayling has returned from her travels and studies in Europe to attend Pomona, along with two other members of the '49 class, George Baehr and Megan Kipf.

Two other members of the class of '49 are now attending the University of Hawaii. Joe Lopez and Walter "Mac" McCarroll are the SAC alumni in Aloha land.

Linda Jones and George Gaylord are two SAC graduates now attending UCLA.

At UCLA's friendly enemy, USC, two ex-Donas and one ex-Don have registered. They are Marjorie Rohne, Mary Mercedes Eleanor Carter and Grover Simmons are attending Stanford, while five more of the '49 class have enrolled at San Jose. They are Roger Neth, Mike Williams, Tom Murphine, Maurice Duke, and Frank Errota.

Wearing red sweaters and skirts the past two games, the song leaders expect to have their new costumes ready soon.

Upon questioning Patty Evans, she admitted to claiming Oklahoma City as her birthplace, but said she moved to California soon after.

Priscilla Orman is the brunette in the center of the trio. Recently chosen Miss Balboa, 1949, she also reigned over the Fourth of July Festival in Huntington Beach. She is a native daughter of California.

Paula Doretti attended Anaheim High and was song leader there. A brown eyed platinum blonde, Paula is at the left of the trio. The three girls are approximately equal in height, measuring about five feet four inches.

YWCA Holds Potluck Dinner For Members

"Santa Ana College's YWCA will hold a pot luck dinner October 5 in the Student Union," announced Bobbie Lou Currie, YWCA president. "All new women are invited to attend."

The dinner, at 6 p. m., will be the first meeting of the YWCA for the semester. Plans will be made for the Fashion Show, sponsored by the YWCA to be given Thursday afternoon, October 27.

Officers for the club are Bobbie Lou Currie, president; Marjorie Groves, secretary; Ursula Webster, treasurer; and Eleanor Skirvin, historian.

Advisor is Mrs. Mary Safley Reed.

Tattlers Held First Meeting Sept. 28

Tavern Tattlers, campus literary club, held their first meeting of the year Wednesday evening, September 28, at 7:30 p. m. in the Student Union. Main topics of discussion were the election of officers and plans for the forthcoming year.

In 1929 a group of Santa Ana college students met for the enjoyment of good literature. They decided to have a publication of their own and invited their fellow students to contribute also.

The new publication was called Tavern Post, after the Tavern Tattlers, a group of Elizabethan poets and dramatists.

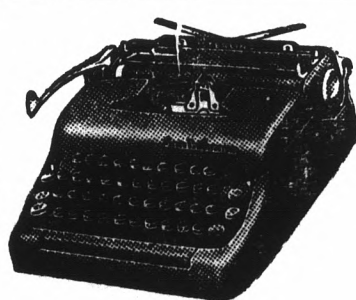

The publication of Tavern Post has continued uninterrupted except during the war, when it was confined to one copy per year. Thomas H. Glenn, faculty member, was one of the founders.

Faculty advisors for the group are Miss Lota Blythe and Thomas H. Glenn.

Shown above in a mad scramble when an unidentified Don went over for 6 points in the Santa Ana, Santa Monica game, are Adams (74), and Hull (26) of the Dons. For the Corsairs Stevens (77), Miller (65). Other players for the Corsairs are not known. Santa Ana won the fray 31-0.

Santa Ana Dons Prove Too Powerful For Santa Monica By 31-0 Defeat

Recording their second consecutive victory, the Santa Ana Dons thoroughly trounced the Santa Monica Corsairs 31-0 last Friday night in the Santa Ana Municipal Bowl before an estimated crowd of 5500 spectators.

The contest got underway with the Dons kicking off to the Corsairs. A few plays later the Dons got their big scoring opportunity of the evening when Bob Leonard recovered a Corsair fumble on their 11 yard line. Santa Monica however, with the aid of a five yard penalty called against the Dons, held them and they took over on downs. The Don's line then put up a defensive wall and the Corsairs were forced to punt. From his left end position, Carl Valdez charged in to block Morris's kick on the 8 yard stripe and then fall on it in the end zone for the first Don touchdown of the game.

Santa Ana then started to roll offensively and in the last of the first stanza Ray Willsey flipped a 21 yard pass to Al (Hoagy) Carmichael, who did some beautiful deception and broken field running for 17 yards to tally another Don score. In the second quarter Willsey, who played an outstanding game at quarterback, sparked a drive that sent the Dons to the Corsairs tow yard stripe where he plunged over on a quarterback sneak.

In the last half of the fray the Dons continued to score even though Coach Cook gave everybody on the bench a chance to play. Bob Leonard intercepted one of Remlinger's passes and sprinted 27 yards to open the scoring for Santa Ana in the final two stanzas. Don Balsley made a spectacular run off tackle for an 88 yard touchdown which is the longest Don run so far this season to end Santa Ana's scoring spree and the game.

Starting Lineup

Santa Monica		Santa Ana
Alper	LE	Valdez
Miller	LT	Royer
Myrick	LG	Zelinka

Santa Monica	0	0	0	0	0

Co-Captains Interviewed

Carlos Lillywhite, playing half back position is one of the co-captains on the Don football team. He is a sophomore, and is 23 years old. Standing 5' 10" tall and weighing 170 pounds Carlos shows his power at the half back spot.

He attended Douglas High School in Arizona, and lettered in all major sports there for three years. He played in the All State Arizona game.

Carlos intends to transfer to USC as soon as he graduates from SAC.

Keever Jankovich is the other co-captain on the team, and he also is a sophomore. 6' 1" tall and 195 pounds Keever is built just right for the position of center he holds down. Attending Tooele High School in Utah, he was chosen All State tackle in 1944 and all West Coast Navy center in '46 and '47.

Keever plans to attend Stanford when he leaves SAC.

Both men are majoring in physical education, and they will both continue their studies in California.

SPORT SHOTS

By PAUL TEKUS

Tonight the Dons will get their first test of strength in the game at the Rose Bowl.

BULLDOGS TRY AGAIN

Last year the Dons won over the Bulldogs 18-0, but this year will be another story. In the first game Pasadena plowed under San Berdoo by the lopsided score of 48-0, and they ran up more yardage in that game than Santa Ana did in the Cal-Poly, and Santa Monica games combined.

The Bulldogs will do their best to stop the Dons from repeating their last years score and with the Powerhouse team they have this year it will probably be by only one touchdown that the victor will be able to take home victory.

With all positions filled by returning lettermen and a huge roster of new men the Bulldogs are sure to be a tough team to beat.

DON OF THE WEEK

Congratulations to Ray Willsey for becoming Don of the Week for his playing in the Santa Monica game last week. He played a great game. Best of luck to Carl Valdez for coming in a close second in the voting.

The balloting is held at Vanderma's from the end of the game till Tuesday evening, and everyone is urged to vote.

DID THEIR BEST

The whole Don team was in on the Santa Monica defeat and all deserve the congratulations of the school for showing them a very prosperous night. The team was in there fighting all the way to the final gun, and all of them did their best.

Santa Monica also deserves credit for playing a great game of football, and I want to wish them all the luck they deserve in their future games. They played clean heads up football.

STRONGER TRACK TEAM

Last week Kelly Hylton announced a stronger track team this spring said to me that the Dons will have a stronger team this year than they had last year. Kelly was an outstanding javelin man on our championship team last year, and will be out to give a very good account of himself this spring.

Rose Bowl, Site Of Santa Ana; Pasadena Game Tonight

The Dons will travel to Pasadena to take on the Bulldogs in the famed Rose Bowl tonight for their third game of the season.

Willsey is Chosen Don of the Week

Ray Willsey, former Tustin High School halfback for two consecutive years, was chosen by popular vote at Vanderma's as Don of the Week.

This was a result of his outstanding playing that he displayed against Santa Monica last Friday night. Willsey was responsible for two Santa Ana touchdowns. One he made on a quarterback sneak and the other on a beautiful 21 yard pass to Al Carmichael.

Runner-up for the Don of the Week honors was Carl Valdez who played both a great defensive and offensive game against the Corsairs. His alertness at his left end position resulted in the first Don score. Carl blocked a Corsair punt on fourth down in the first quarter and fell on it in the end zone for the tally.

Last week the Don of the Week was Al (Hoagy) Carmichael and Carlos Lillywhite took second honors. Don't forget after each game vote for your favorite player at Vanderma's for Don of the Week.

The Eastern Conference Board met last week, to decide what to do about transfers from other colleges who were brought out here to play football.

According to the decision of the members, all schools in the Eastern Conference will be investigated and fined if all members of the teams are eligible to play or not.

Pasadena was the first school to be checked over, and it was found that seven of the members of the Bulldogs team were ineligible. It was said that all of the schools had some borderline cases, and that when they meet again they would find them all.

If this is the case Santa Ana may lose some of their players.

The Bulldogs will be running all returning lettermen in their starting lineup, and will have many promising subs on the bench to take over.

Santa Ana will have their hands full from the starting kick until the final gun. Rated as a strong team, Pasadena will be all out to avenge the beating they received at the hands of the Dons last year.

WESTERN CONFERENCE

Pasadena City College was handed a tough decision from the Western States Conference last Monday afternoon in a meeting held in the Lakewood Country Club.

A committee of representatives from the schools that compose the conference, voted to forbid the adoption of athletes. With this decision the Pasadena Bulldogs will lose six players from their current roster.

Those who are effected are Jack Swan, first string end, Bill Hattig, Bob Acre, first string halfback, Ed Lawler, David Diaz and John Josephs. The board also recommended that Don Burroughs, 6' 5" quarterback, be sent to Ventura. Because Arizona dropped out of the conference, the board changed the name to the Western States Conference.

when they won by the score of 18-0 at the Santa Ana Municipal Bowl.

Lead by head coach Bob Blackman, the Bulldogs will be at their peak for this game.

Coach Bill Cook will run his first string against Pasadena in the starting line up, and will try to give as many men as possible a chance at the Bulldogs.

Ray Willsey will be the only change in the line up for the Dons. The lineup: Valdez le, Royer, It, Zelinka lg, Jankovich c, Spector rg, Leonard rt, Leonard re. In the backfield will be Willsey qb, Carmichael lh, Lillywhite rh, and Kluewer f.

Dons...

Let's All

Get Out

the Vote

Let's make it part of our weekly business to VOTE FOR "DON OF THE WEEK!" How about it? You've got a great team again this year... the votes mean a lot to the players in there pitching... VOTE, VOTE, VOTE, EVERY WEEK!
